### **1.0 Introduction, welcome & apologies**

Joy thanked everyone for their attendance and welcomed Jason Sonneman and Georgie Wettenhall from Design Flow and Wes Turnbull from Communications.

### **2.0 Presentation from Design Flow on issues affecting water quality in the Quiet Lakes and management options**

Jason and Georgie gave a presentation to the sub-committee, which was divided into the following areas:

- Shallow lake ecology
- Current status of the lakes (ecology and operation)
- Management options

(A copy of the presentation will be distributed to committee members in PDF format)

### **3.0 General discussion**

There was a general discussion and questions about the issues raised during the presentation.

Arising from the discussion, the committee sought a break down of costs for direct expenditure for the Quiet Lakes for the last financial year 2009 / 2010. Tim informed the committee that he will collate this information and have it for the committee in mid January.

Action: Tim

### **4.0 Response to questions and update on actions**

Tim Seipolt responded to a number of recent questions about water quality and operational matters, and requests for information. Written response will be provided in January.

### **5.0 Next Meeting**

The next meeting will be held on the 20<sup>th</sup> January 2011.

Meeting Closed 7.10pm
